## VPI Software

To operate a VPI solution, you need a VPI-Agent and a VPI-Portal. The VPI-Agents are free of charge on standard platforms. The VPI-Portal can be bought (one time buyout) and hosted by the customer. Alternatively, VPI-Agents can be connected to iniNet's v-p-i.com portal on an annual fee base.

## VPI Agent

Version	Features	Prices in Euro, excl. VAT
Linux, WinCE or XP	A VPI agent is a piece of software that tunnels an embedded Web-server from within an intranet to a VPI portal.	<b>FREE</b> Order Nr. 2201

## VPI Portal

Version	Features	Prices in Euro, excl. VAT
Linux (Windows on request)	VPI Portal Basic. Can be hosted on a Linux-based server. Implements a HTTP-server including the VPI-tunneling mechanism. Requires a 'Java Virtual Machine'. Connects up to 50 VPI-Agents permanently to a virtual sub-directory. Password protection per client is possible.	<b>2'000.-</b> Order Nr. 2202
	VPI Portal Extension: License for an additional 50 VPI-Clients to a 'Basic' License	<b>1'000.-</b> Order Nr. 2203
Linux	VPI Portal Extended: Allows administred VPI connections. Users, devices, user-groups and factories can be managed in a SQL-Data-base. Fully extendible to an OEM solution.	<b>Ask for a quote</b>

## Maintenance

Version	Features	Prices in Euro, excl. VAT
	A Maintenance Contract is available for VPI Portal and includes automatic updates on new releases of the portal as well as on the VPI-Agents.	<b>300.-/Year</b>

## Leased Tunnels On [www.v-p-i.com](http://www.v-p-i.com) VPI Portal

Version	Features	Prices in Euro, excl. VAT
	Operate one permanent tunnel on the v-p-i.com portal as either an 'Instant Internet Access' or an administred tunnel.	<b>50.-/Year</b>
	Operate up to 10 permanent tunnels on the v-p-i.com portal as either an 'Instant Internet Access' or an administred tunnel.	<b>299.-/Year</b>
